

REACH COMPLIANCE

APPLICABLE TO DURATHERM®, ELEVATION® AND THERMALSTAR® PRODUCTS

EXCLUDING THOSE WITH TERMITE RESISTANCE

Atlas Molded Products is committed to sustainability and providing transparent information to users of our products. This Compliance Statement is being provided to demonstrate compliance of molded polystyrene foam produced by Atlas Molded Products with Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

REACH maintains a Candidate List of Substances of Very High Concern (SVHC). As of February 4, 2026 the Candidate List contains 253 substances. Atlas Molded Products' molded polystyrene foam products do not contain any of the above-mentioned SVHC's and therefore comply with the environmental standards set forth by REACH for SVHC's.

REACH also maintains a Restricted Substance list (Annex XVII). As of February 4, 2026 the list contains 78 entries of substances, groups of substances, or substances in mixtures. Atlas Molded Products' molded polystyrene foam products do not contain any of the above-mentioned restricted substances and therefore comply with the environmental standards set forth by REACH for restricted substances.

REACH also maintains an Authorisation list (Annex XIV). As of February 4, 2026 the list contains 59 entries of substances, groups of substances, or substances in mixtures. Atlas Molded Products' molded polystyrene foam products do not contain any of the above-mentioned authorisation substances and therefore comply with the environmental standards set forth by REACH for authorisation substances.
